

2013 ANNUAL REPORT

TAISHOFF FAMILY FOUNDATION

LAWRENCE B. TAISHOFF 1933 - 2006

The Taishoff Family Foundation was established by the late Lawrence B. Taishoff and his son Rob in honor of their legendary father and grandfather, Sol Taishoff, the founder and editor-in-chief of Broadcasting magazine. As journalists and publishers, Sol and Larry Taishoff played a seminal role in the development of the radio and television industry in America. As champions of a free and unfettered broadcasting profession, Broadcasting magazine was created as the instrument and manifestation of their devotion to resemble a "sentinel on the Potomac" to warn against government intrusion into the creative processes and activities of radio and television broadcasters.

The Taishoffs devoted their entire lives to extending the values and protections of the First Amendment to "The Fifth Estate" which was the designation bestowed upon the broadcasting fraternity by Sol Taishoff so many years ago. The vision and foresight of both Taishoffs often caused them to be allied on many of the great issues of the day with the work and example of one of our own founding chairman Ward L. Quaal. In 2009, the Taishoff family was honored with a Ward L. Quaal Pioneer Award. In addition to their commitment to journalistic causes and a free press, the Taishoff Family Foundation is also active in improving the lives of people with intellectual disabilities.

The Foundation has developed resources to help educate society about the special skills and talents of people with

Down syndrome, autism and traumatic brain injury, to name a few. Toward this goal, the Taishoff Family Foundation has established the Lawrence B. Taishoff Center for Inclusive Higher Education at Syracuse University. The Taishoffs also provided critical initial funding for the Library of American Broadcasting, now located at the University of Maryland. Sol Taishoff himself was one of the founders of the Broadcast Pioneers organization which, as you know, has now become the national charitable endeavor known as the Broadcasters Foundation of America which you and so many of our colleagues support.

Today, the Taishoff Family Foundation is administered by the third generation of family members who support, among their many worthwhile endeavors, the National Press Foundation which annually presents the Sol Taishoff Award for Excellence in Electronic Journalism. Retired Captain Robert Taishoff USN, is the chairman of the Taishoff Family Foundation. The Broadcasters Foundation of America extends its deep gratitude to the Taishoff family for carrying on the legacy of their illustrious forebears by underwriting On The Air magazine, which is distributed widely throughout the broadcast industry.

LETTER FROM THE CHAIR

In our most recent year of service to the broadcasting industry, I'm pleased to report that the Broadcasters Foundation of America was able to give a record sum of financial assistance to broadcasters in dire need of our support. The financial support we have given has almost doubled over the past five years. Our efforts were once again made possible by the generous support of industry colleagues whose commitment to helping others contributed to a successful year for the Foundation. Thanks to numerous Broadcasters Foundation of America industry friends old and new, the past year was notable for the success that our organization enjoyed.

In 2013, our Foundation continued to attract major funding support from individuals, leading broadcast industry companies, associations and others who believe in the work we do for industry members in need. This past year we have had great success with our annual events, which are critical to funding the assistance we provide broadcasters and continue to be a major source of income to the Broadcasters Foundation. The Golden Mike Award Dinner, The Philip J. Lombardo NAB Charity Golf Tournament and The Celebrity Golf Tournament help generate essential revenue and awareness of what we do. Part

of our challenge will be to continually renew and revitalize the means by which we fund the Foundation, and I'm excited about the opportunity to create distinctive new events and fund raising vehicles.

We have many people to thank—high among them the Taishoff family, whose commitment to our organization is unique and remarkable, underwriting our On The Air magazine and this Annual Report. Demand for our assistance continues to grow, and it is my great hope that even broader industry support will enable us to help a growing population of current or former broadcasters who find themselves in need.

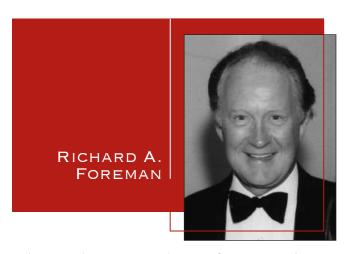

It continues to be my great privilege and honor to serve as Chairman of the Broadcasters Foundation of America. On behalf of the board of directors, our heartfelt thanks to everyone who has made our work possible and made such a difference in the lives of so many.

Sincerely,

Philip J. Lombardo

Chair

LETTER FROM THE TREASURER

The Broadcasters Foundation of America relies on the continuing support of industry members who in turn look to the Foundation's Board and officers to responsibly manage and judiciously expend all sums entrusted to us. Our 2013 Annual Report documents the Broadcasters Foundation America's continuing, diligent stewardship of the assets we manage. It is that essential trust that makes all of our good work possible. The audited financial statements and certification contained within the annual report substantiate our success in raising money and appropriately disbursing funds to help fellow radio and television broadcasters who find themselves in acute need. I am pleased to report that our Foundation continues to draw funds from multiple revenue streams, which helps ensure the viability and continuity of our outreach efforts.

Our model remains effective for the organization. Our annual Guardian Fund and our Corporate Angel Initiative were both successful in making their objectives in 2013. The Foundation also benefits from the diverse but complementary nature of our signature events: The Golden Mike Award, The Philip J. Lombardo NAB Charity Golf Tournament, The Ward L. Quaal Leadership Breakfast and the Celebrity Golf Tournament.

I'm also very pleased to report that the Foundation's investment advisors, as directed by the investment committee of the board of directors, continue to manage our portfolio with a conservative investment philosophy. The investment committee meets with the advisors on a quarterly basis and more frequently as warranted. As you will see in the Auditors Report, our financial position has increased over the prior year. The financial statements and management reports of the Broadcasters Foundation of America are carefully reviewed by the executive committee on a monthly basis and by the board of directors at its quarterly meetings.

No doubt 2014 will be challenging for organizations such as ours, but I'm confident that the industry will continue to value our mission and generously support the cause of helping fellow broadcasters

Sincerely,
Richard A. Foreman
Treasurer

Your Help Literally Saves Lives

Scared and Alone

It's hard to imagine the one/two punch the family of this broadcaster was dealt. An announcer and program director in radio for more than 15 years, he was diagnosed with cancer. The treatment left him unable to work. Even with his wife's income, the couple was desperate to support themselves and their four children. The Broadcasters Foundation awarded them a monthly grant to help make ends meet.

Unfortunately, fate had more in store for this family. Unable to win the battle with cancer, this broadcaster passed away at only 37 years old. The funeral costs wiped out what little the family had left. When two family emergencies arose in one month, the now single-mother faced an unimaginable dilemma. She felt alone and really scared.

In desperation, she wrote to the Broadcasters Foundation which immediately gave her a one-time emergency grant to cover the unexpected costs.

She wrote back:

"I can't tell you the relief that I feel. My heart skipped a beat when I opened your email. I was worried sick trying to figure out ways to come up with the money. Thank you, Thank you, Thank you."

With your help, this broadcaster's wife and their children can continue to receive a monthly grant from the Broadcasters Foundation of America.

Independent Auditors' Report

The Board of Directors Broadcasters' Foundation of America

We have audited the accompanying financial statements of Broadcasters' Foundation of America (the "Foundation"), which comprise the statement of financial position as of December 31, 2013, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.
